SECTION A - SUPPLEMENTAL INFORMATION

- 1. The purpose of this modification is to terminate contract DAAE20-99-D-0086 by mutual agreement between the Government and the Contractor pursuant to FAR 33.204 and FAR 33.210.
- 2. The termination will be at no cost to either the Government or the Contractor. Thus, the Government, as represented by the Contracting Officer, agrees that it will not seek to recover from the contractor any excess reprocurement costs connected with the reprocurement of any items covered by this contract.
- 3. This modification constitutes a full and final settlement and disposition of all matters relating to this contract and is a full release and accord and satisfaction of any and all claims, demands, or causes of action that either the contractor or the Government may have against the other arising out of or related to the contract. Thus, the contractor hereby waives any and all rights and claims for equitable adjustment attributable to such facts and circumstances giving rise to the above termination and hereby releases the Government from any and all liability under this contract, including any interest and any claims for delay.
- 4. Modification 01 was deleted for administrative purposes and does not exist. This modification (02) is the first modification to the basic contract.
